Dear Parents and Students,

It is our pleasure to share with you Nefertari's IB Division Course Selection Orientation, which was held on Sunday, February 26th, 2017 for Pre-IB 10 students and parents. This Orientation's goal is to help our students and their parents in selecting wisely and successfully their courses for their 2 years DP, starting 2017-18 and extending to 2018-19.

If you have any questions concerning your son's/ daughter's selection or universities' requirements, please do not hesitate to phone the IB administration to set a meeting with the person concerned, starting February 26th to March 16th .

We thank all the parents who attended the orientation and enriched it with their questions and wish that parents who did not attend would benefit from the course selection material posted on our Website in the school section.

**Thank You
